Protecting your privacy

Your privacy is important to us. Some information you provide to OPA in this application may be considered personal information. The Ontario Pharmacists Association collects, uses and shares the information contained in this membership application for the sole purposes of processing your application and delivering OPA services, programs and publications to you. The Association does not sell or in any other way provide your personal information to third parties not associated with the provision of OPA services, programs or publications. The Association uses appropriate safeguards to ensure that your personal information remains confidential. Should you choose not to provide information OPA is requesting in this membership application, you may not receive certain OPA services, programs or publications. For further information on how OPA protects your privacy, see our privacy policy at www.opatoday.com or contact the privacy officer at OPA. By submitting this application, you agree to the use of this information as set out in OPA's Privacy Statement.

Disclosure Statement

The information provided by me on this application is, to the best of my knowledge, accurate and complete. Any and all member benefits, provided in good faith by OPA, and entered into by me, are at my own risk. The Ontario Pharmacists Association is not liable for any actions resulting from my personal or business decisions.
